

My Peoples' Hearts Are Far From Me

“My people don’t love Me, otherwise they would obey Me. They love the world and the things of the world instead of Me, My son. My peoples’ hearts are far from Me. They will not obey Me. Very few will make it in to My Kingdom, My son, because very few love Me enough to do My will. Their hearts are set on other things. They demand prosperity from Me, but won’t do My will with it to evangelize the world. Many are going to Hell without them because they are unreached—nobody went overseas to tell them the Gospel, My son. My Word goes unused because it is not applied in sinners’ lives. I must punish My

people— wicked, selfish people who will not do My will. Very few will make it in to My Kingdom because of their disobedience— refusal to preach My Gospel, My son. Your LORD has spoken. Amen.”
